School Council Meetings

The School Council Meetings take place each fortnight and involve all 8 class councillors and 3 council coaches. Councillors discuss previous topics and issues as well as looking at upcoming dates, events and discuss any concerns that children may have that have arisen. Each meeting is documented and each council member is given a copy for their council folder, a copy is also given to the school leadership team so they can discuss and address any issues and topics. Meeting agendas are provided to council members and staff prior to each meeting.

Class Council Feedback

Class Council feedback takes place fortnightly between School Council meetings. In these sessions, Class Councillors discuss the events that have taken place at their most recent School Council meeting and feedback any important information that they have received. The councillors use their copy minutes from the previous meeting to ensure that all information is passed on to their class members. At the end of the session, Class Councillors discuss any concerns or issues that children in their class would like to be brought up at the next School Council meeting. School councillors record notes about this and keep a record in their school council folder, ready to bring to the next meeting.
