

School Council

Date	16.12.20	
In attendance	MT, HW, DLK, TR, LM, MM, A, SJD, LB, HB, TB	
Apologies	EB	
Description / notes	Content	Actions/outcomes
1. Introductions/ Welcome		
2. Review of last meeting's agenda.	<p>Folders – Organised Playtimes - Play time equipment – Mobile – Phones</p>	<p>All folders were brought to the meeting. MT explained the process of updating these and how to use them in Class Council feedback sessions (see point 3).</p> <p>Organised playtimes can be arranged once changes to bubbles and rules are amended to allow us to do so. MT has advised that school are hoping to secure a new class set of playtime equipment in the meantime.</p> <p>MT shared the Mobile Devices policy with School Council. This has been sent to the website and will published on Class Dojo. Some councillors expressed a concern that it is not always mobile phones that have been misused (smart watches etc.) – MT has shown where this is addressed in the policy as all mobile devices.</p>
3. Timetable	Spring Term School Council meetings and Class Council feedback session dates and expectations.	The new calendar was shared and discussed for the Spring Term. MT went through the dates of meetings and then the importance and expectation of feedback sessions to classes on the alternating weeks. Councillors are clear on the dates and expectations. Council coaches will help KS1 councillors with their first feedback sessions.
4. Uniform/P.E Kit	<ul style="list-style-type: none"> - Correct uniform/Kit - Letter 	<p>Councillors discussed the correct uniform and P.E kit. P.E Kit is not being adhered to correctly in Y5/6 – Children are wearing their own clothes.</p> <p>MT advised that a letter would be sent out with all pupils before the end of term to ensure that the expectations are known. Class councillors will look out for incorrect uniform/kit and report it to the class teacher when necessary.</p>
5. AOB	School equipment	Some councillors have expressed a concern at the attitude of some children towards school equipment (Pens, pencils, markers etc). They are concerned that equipment may run out or not be replaced if it's not looked after. MT advised of the LRA and will feed this back to the SLT so staff can address this.
6.
