## Big Question

Twinkle, twinkle, little star, how I wonder what you are.

Can you paint or draw a picture of a rocket?

Can you make a star mobile?

Can you make a handprint alien?

Can you make your own moon sand?

Can you make your own telescope?

Reception Class

Spring 1

Remote Learning Week 1

SCARF login [click here](#)

### English

Monday – What would you take to space? Talk about what you would like to happen and what you would need if you went on a journey in a rocket.

Tuesday – Write a list of 5 things that you would take to space.

Wednesday – Name rocket - Use small squares of paper, each with a letter on. Can they sequence the pieces to correctly spell their name?

Thursday – Space passport – You could include – name, age, which planet are you visiting?

Friday – Can you draw and label a rocket? (body, window, fire.)
