Big Question

Gingerbread Man Dice Game - Take it in turns to roll the dice. The first one to finish rolling and to draw a complete gingerbread man is the winner.

Baking - Today you are going to bake your chosen recipe; whether this is gingerbread men or something else. Make sure you send me a photograph.

Colour by number - Choose one of the attached sheets to complete (see class dojo).

Can you make your own mask? Choose a character from the story 'The Gingerbread man'

Shape hunt - You can do this inside or outside. Which shapes can you find? Can you name them all?

ICT/PE

Have a look around your home. How many different types of technology can you find?

Go for a walk with your grown up and use a camera or phone to take some photographs.

Talk to your grown up about how electrical items can be dangerous. How can you stay safe around electricity? Can you make your own junk model robot?

English

Monday — Plan what you are going to bake tomorrow and write your list of ingredients and equipment (template on dojo)

Tuesday — Can you use your list of ingredients and list of equipment from yesterday to complete your baking?

Wednesday — Now we have completed our baking we are going to fill in the method section of our recipe (sheet from Monday). Can you write how you made your gingerbread man/buns etc?

Thursday — If I were a gingerbread boy/girl (see sheet on class dojo) What would you look like? What would your house look like? What would you run away from?

Friday — Gingerbread man book review (see dojo)

Spelling shed — [login](#)

Reading

Bug Club - [login](#)

Please login and share a book each day. Which was your favourite? Why did you like it?

Phonics

Recapping qu, ch, sh, th and ng.

Maths

Monday — Matching 6, 7 and 8. Memory game — if you turn over two cards that show the same number, you get to keep the pair! Session 1

Tuesday — Making pairs - Go on a walk to find some natural objects. Explore making pairs with what you have found. How many pairs have you found? Do you have any objects left over or do they all group into pairs? Session 2

Wednesday — Combining 2 groups Look carefully at the picture (follow link for session 3) Can you find 4 flowers and 4 flowers? How many altogether? Session 3

Thursday — Combining 2 groups. How many spots do the dominoes have on each side? How many do they have altogether? Session 4

Friday — Adding more. Play the number track game with a friend. Roll 2 dice. How many spots do you have altogether? Can you predict what number you will land on?
