

Dear Parents and Carers,

We are delighted to say that after the Easter holidays we will be running our school breakfast club. This will run from 8.00am each day with the doors closing at 8.35am, this allows the children enough time to eat their breakfast before the start of the day.

There will be limited places so that we adhere to school health and safety risk assessments and these places will need to be booked and confirmed by school. If you receive a place and then no longer require it, it is important to let school know so the place can be offered to someone on the waiting list.

It will continue to be free to attend at the moment and there will be a variety of breakfast choices available. Activities will also be run with the children to prepare them for a busy day of learning.

If you would like to book a place for your child/children, then please email me at lockwood@hillviewacademy.co.uk

Please state:

- Name of child/ren:
- Year group/s and class name/s
- Days required
- Any medical requirements
- Emergency contact number

If you are successful in getting a place, there will be a conduct agreement that parents and children will need to sign. This will need to be followed for the place in breakfast club to continue.

Thank you

Mrs L Lockwood
