Autumn 1

Drawing Club summary

Week 4

What is drawing club?

The idea of drawing club is to immerse children in stories and encourage them to invent their own ideas through drawing and discussion. Drawing club sessions include reading a story, animation or tradition tale together. Learning new vocabulary words, drawing characters and settings. Imagining “what if?” adventures, adding “magic buttons,” symbols, or passwords to drawings. Writing letters, words, captions, or sentences connected to the drawing.

Drawing club is built around 3M principles:
